

*The Old Testament is the New Testament concealed  
&  
The New Testament is the Old Testament revealed.*

*For ALL people*

*We love to say that the Gospel is for all people. For all those wanting to live with the Lord Yeshua it is a heart issue. You have to give your heart over to the one who gave His heart over to you. By doing that you gain entrance into the Lords house. But you can no just give Him 10, 20, 50 or even 90%. It must be all or nothing. When you agree to the terms of His contract you are given promises from above. The lord has always had rules for all the people of the world. He always wants His creation close to Him.*

*Exo 12:48 If a foreigner staying with you wants to observe Adonai's Pesach, all his males must be circumcised. Then he may take part and observe it; he will be like a citizen of the land. But no uncircumcised person is to eat it.*

*Here the Lord makes a way for those wanting to be covered in the blood of Pesach they had a way. During the whole time of the Exodus from Egypt there were Goyim (Gentiles) living among Israel. They were being fed by the same bread that fell from heaven and the same quail also. So they were being blessed equally like Israel as long as they followed the Lord on His path.*

**Exo 24:1** To Moshe [*Adonai*] said, "Come up to Adonai — you, Aharon, Nadav, Avihu, and seventy of the leaders of Isra'el. Prostrate yourselves at a distance,

Exo 24:2 while Moshe alone approaches Adonai — the others are not to approach, and the people are not to go up with him."

Exo 24:3 Moshe came and told the people everything Adonai had said, including all the rulings. The people answered with one voice: "We will obey every word Adonai has spoken."

*So who was there when they agreed to there commitment to God's ways? Was it just Israel or was it also the Goyim the nations? Must have been all people!*

*So as for are we under the law or not? One must ask are you good for your word or is your word not good enough? So the prayer you said to Adonai should He except it or not?*
